- Exam preparation
- Good conversations

#### Which suggestions or ideas for improvement do you have?

- "Note from ULe: Statement removed due to inappropriate content (unobjective, insulting, dis-criminatory, etc.)"
- A coherent reader would be helpful
- Eventually upload the PowerPoint-slides of the presentations because they are often a good summary
- From the start it should be clear that students need a German level of at least B2+.
- Handouts with exercises rather than slides of presentation 100
- Integrate more discussions about topics between students
- Introduce more recent studies to the course
- Make clear in what further way I can use course topics for my studies
- No suggestions at the moment
- 10 None
